The defendant shall consent to the probation officer's conducting ongoing monitoring of his/her computer/computers. The monitoring may include the installation of hardware and/or software systems that allow evaluation of computer use. The defendant shall not remove, tamper with, reverse engineer, or circumvent the software in any way. The defendant shall only use authorized computer systems that are compatible with the software and/or hardware used by the Computer and Internet Monitoring Program. not possess, have access to, or utilize a computer or Internet connection device, including, but not limited to Xbox, PlayStation, Nintendo, or similar device, without permission of the probation officer. This condition requires preapproval for categories of computer or Internet access or use; it does not require separate pre-use approval every time the defendant accesses or uses a computer or the Internet;

neither possess nor have under his/her control any pornographic matter or any matter that sexually depicts minors under the age of 18 including, but not limited to, matter obtained through access to any computer and any matter linked to computer access or use; and,

FINE/RESTITUTION

The Court did not order a fine because the defendant does not have the financial resources or future earning capacity to pay a fine in addition to restitution and the mandatory special assessments.

The Court further orders that defendant shall make restitution in the amount of \$3,000. Restitution is payable immediately, but non-payment will not be a violation of defendant's conditions of supervised release so long as defendant pays as provided in defendant's conditions of supervised release. All restitution payments shall be made by defendant to the Clerk of the U.S. District Court, 501 West 10th Street, Room 310, Fort Worth, TX 76102, for disbursement to the following:
